Got Gas?

Division: Physical & Mathematical Sciences

Category: Junior

Region: Chatham-Kent

City: Chatham, ON

School: St Ursula Catholic School

Abstract: With the growing concern over gasoline prices, I felt that it was appropriate to evaluate the effect of the octane rating of gasoline on engine efficiency. My results have the potential to save millions of consumers a large amount of money.

Awards	Value
Honourable Mention - Physical & Mathematical Sciences - Junior	\$100
Sponsor: Encana Corporation	
Total	\$100
