

## CWSF 2005 - Vancouver, British Columbia

### Josh Segeren

#### Got Gas?

**Division:** Physical & Mathematical Sciences

**Category:** Junior

**Region:** Chatham-Kent

**City:** Chatham, ON

**School:** St Ursula Catholic School

**Abstract:** With the growing concern over gasoline prices, I felt that it was appropriate to evaluate the effect of the octane rating of gasoline on engine efficiency. My results have the potential to save millions of consumers a large amount of money.

Awards	Value
Honourable Mention - Physical & Mathematical Sciences - Junior Sponsor: Encana Corporation	\$100
Total	\$100
