Abstract: Our project overlooks the new coming of the renewable fuel called Ethanol. during this experiment we looked at the pros and cons of each and decided amongst ourselves which we thought would be better for Canada and its citizens.

Biographies

Brian - My name is Brian Kuhn and I am from Reward Saskatchewan. I attend school at Unity Composite High School. I live on a mixed farm. I play sports such as football, baseball and basketball. I have nine brothers and sisters. I am the fourth in my family. I have six brothers and three sisters. I hope to take over the family farm when i am older.

Cody - My name is Cody Belliveau. I was born on the 2nd of April, 1991 in Saskatoon Saskatchewan. I live in Unity, which I currently reside to. I have a farm North of Unity and have worked with cattle and machinery used in grain farming. Some hobbies of mine are hockey, baseball, volleyball, badminton, snowmobiling, 4-wheeling, woodworking, running machinery, and many, many more. I have won provincial baseball 3 times in my life, twice in the last 2 years.
