The Better Browser

Division: Earth & Environmental Sciences / None

Category: Intermediate

Region: Cape Breton

City: Sydney, NS

School: Sydney Academy

Abstract: The Better Browser is essentially a Science Project that aims to illustrate the quantitative strengths and weaknesses that characterize the different web browsers available today. This is accomplished through 8 major trials that measure a browser on its most fundamental levels, and an analysis of the results observed.

Biography

My Name is Johnathan Mac Neil, and I am very active in my community. I am a peer tutor, member of the debating team, as well as in Math Club. I enjoy using the internet.
