Meka MacBeth

Teen Stress in the North

Division: Life Sciences / None

Category: Junior

Region: Kitikmeot

City: Cambridge Bay, NU

School: Kiiliniq H.S.

Abstract: My project is pretty basic, I have taken all of the schools in the Kitikmeot Region in Nunavut grades 7-12 and had them fill out a survey in what stresses them out the most.

Biography

Hello, My name is Meka Macbeth and I am 13 years old. Originally from Nova Scotia I moved to Cambridge Bay, Nunavut in August of 2006. I am a very active person. I love soccer , I have been playing it since the age on 10. I also play basketball and Cadets. I am also a very good student at Kiiliniq Hih School in grade 8. I work hard in class and enjoy going to school and seeing my friends everyday. I love hanging out with my friends and going to the dances on weekends wih them. I also enjoy sleeping over at friends and having them staying at my house. After I finish school I plan to go to university and study to become a Marine Biologist, because I love watching water mammals and would love to be around them all the time, espically Dolphins. I have won many awards and medals over the years Including Soccer, Top Student and many other awards. I Enjoy reading books also any kind and all the time. I mostly enjoy horror books, even though I can't stand horror movies :) Well that is basically me in an nutshell. Hope you enjoy:)
