Abstract: This study determines which gender has better observation skills. Participants viewed a three minute movie either on their own, in pairs, or in trios and answered ten questions based on their observations. These questionnaires were completed independently and directly following the movie clip.

Biography

My name is Doreen Mary Quinn Logan, but everyone calls me Quinn. I was born in Belleville, Ontario on November 27, 1994 to Tony and Britt Logan. I have a really fun little brother, Jack, who is ten years old. I am a grade seven student at Sacred Heart Catholic School in Batawa and my teacher's name is Aisling McGilly-Tsokos. I love school and get really good report cards. In the past three years I have gone on to the Legion for Public Speaking. This year I made it even further, to the Regional level. I also participate in sports such as basketball, volleyball, and snowboarding. I have been dancing with the Quinte Bay Cloggers for three years now and really enjoy it, especially when we perform for the seniors clubs and nursing homes. Some of my biggest fans are my grandparents, aunts, uncles, and cousins. I have a pretty amazing family!
