Come and Get Your Coffee While It's Hot!

Division: International / Environmental Innovation

Category: Junior

Region: Greater Vancouver

City: Vancouver, BC, Coquitlam, BC

School: St George's School

Abstract: Ever wonder why you got that 'F' on your term project, or never got hired for that job? Don't blame your teacher or your boss. Chances are their coffee was colder than expected that morning. If you want that 'A' badly, or need that job, then give them a gift. Nothing fancy, just the most insulating coffee mug. But the question is "which is it?"

Biographies

Eric - Hi, my name is Eric Liu and I am a students at St. George's Junior School, in grade 7. I immigrated to Canada when I was 5 from China, and switched schools three times before coming to my current school, St. George's School, in Grade 6. Since my arrival at Saints, I have participated in a variety of activities including Model United Nations and debating. I recently placed 16th in a Grade 7-10 debating contest, received an honourable mention at VYMUN 2007, and received a outstanding delegate award at the 2008 Vancouver Model UN conference. I am also involved in peer- tutoring grade 2s and I have achieved honour roll with distinction every term. ...

Kais - Hi, my name is Kais Khimji and I am the Assistant Head Boy at St. George's Junior School, as well as maintaining an honours with distinction average. When I grow up, I would like to become a neurologist, majoring with sociology. I want to become this because I am very interested in social interaction (why we do what we do) as well as behaviour. Sports are also a big part of my life; I represent my school in basketball, soccer, and rugby. In addition, I am a Shia, Ismaili, Muslim which is another large aspect of 'me'. Every Friday I go to mosque to pray and usually participate in volunteering programs and fundraising committees. My favourite thing...
