

CWSF 2008 - Ottawa, Ontario

Markus Jesswein

How Bright Is Your Light?

Division: International / Environmental Innovation

Category: Junior

Region: East Parry Sound

City: Powassan, ON

School: South Shore Education Centre

Abstract: My experiment compares incandescent to LED lights and finds out which is the most light and energy efficient. The experiment helps reduce greenhouse emissions and provides cost savings to the consumer. Also, the supplier doesn't have to provide and produce as much energy.

Biography

My name is Markus Jesswein. I was born in North Bay, Ontario. I am fourteen years old. I am a grade 8 student at South Shore Education Centre in Nipissing, Ontario. I enjoy science, math, and art activities. After high school, I would like to take Architecture and Engineering at a University. I am glad to have an opportunity to take part in the Canada Wide Science Fair, 2008 in Ottawa.
