Analysing the NHL Economic Dispute

Division: Physical & Mathematical Sciences

Category: Senior

Region: Victoria County

City: Woodville, ON

School: Lindsay Collegiate and Vocational Institute

Abstract: The NHL lockout affects many people, especially in a country that has such a passion for hockey. This project undertook a statistical analysis of the economics of the game looking at salaries, ticket sales, attendance, revenues, player costs, competition, and payrolls to make predictions based on the current CBA.
