Abstract: My family fishes in the Mackenzie River for food each year. I help with the fishing and studied every fish that was caught last summer. I recorded the gender, weight, length, and capture data. A scale sample was used to age the fish. The data was charted and analyzed to find any patterns.

Biography

My name is Sam Hodgson. I am in grade 7 at Mackenzie Mountain School. I love sports. My favorite team sports are hockey and basketball. I play floor hockey as a school activity. In the spring I go cross country skiing with my family in the Mackenzie Mountains. When I grow up I want to be a NHL hockey star. I also like to hunt. I have hunted for caribou, ptarmigan and grouse. Last fall I went on a hunting trip to Cache Lake deep in the mountains with my dad. I have some great photos. I also like to go fishing. I fish just about anything that swims in the water. I enjoy the outdoors.
