

## ESPC 2009 - Winnipeg (Manitoba)

### Reanna Campbell

#### Dry Skin? We have a solution!

**Division:** Sciences de la vie / Aucun

**Catégorie:** Sénior

**Région:** Sahtu

**Ville:** Tulita, NT

**École:** Chief Albert Wright School

**Sommaire:** I decided to do this project because the cost of living is very high, as Tulita is an isolated community. During the long dry winter months, a lot of money is spent on lotions, with this project I wanted the people to know which lotion would be best to use.
