Reanna Campbell

Dry Skin? We have a solution!

Division: Life Sciences / None

Category: Senior

Region: Sahtu

City: Tulita, NT

School: Chief Albert Wright School

Abstract: I decided to do this project because the cost of living is very high, as Tulita is an isolated community. During the long dry winter months, a lot of money is spent on lotions, with this project I wanted the people to know which lotion would be best to use.

Biography

My name is Reanna Campbell, i am 17 years old, i come from a small community called Tulita formally known as Fort Norman. I am a Shutaotine which means Mountain Dene. I attend Chief Albert Wright School i am currently in grade 11. I have 4 sisters, 3 nephews and a large extended family, some live in Tulita, Norman Wells, Yellowknife and Fort Wrigley. I have attended a historica fair in Saskatoon and have participated in sports such as volleyball, soccer and this is the first trip that I will be attending to Winnepeg.
