Tyler James Landry

E-Z Glide Sliding Rail Anchor

Division: Health Sciences / None

Category: Junior

Region: Sudbury

City: Sudbury, ON

School: R.L. Beattie P.S.

Abstract: This project presents a sliding anchorage device to be used with fall-arrest or fall-restraint systems. It involves a sliding-rail anchor that is movable and secured to a railway track for the purpose of providing a means of anchoring a worker who is working on a railway bridge or other elevated area.

Biography

Tyler James Landry I was born in Sudbury, Ontario May 1st, 1995 to my proud parents Mark and Patricia. In September, 2001, my family welcomed a new addition, my little sister Sara. I am currently attending R.L. Beattie Public School. I am in Grade 8, in the French Emersion program. I currently hold a brown belt in Goju-Ryu Karate. My interests are soccer, fishing, bass and electric guitars. I am keenly interested in the history of the First and Second World Wars. I also enjoy watching all types of movies, listening to classic rock and reading. In the summer, I like to go fishing and this fall, I will be taking up hunting. I will be attending Lockerby Composite School in the Fall of 2009. Upon completion of my post-secondary education, I plan to attend university to take dentistry.
