

ESPC 2005 - Vancouver (Colombie-Britannique)

Darren Schulte

In the Line of Fire

Division: Génie et sciences de l'informatique

Catégorie: Intermédiaire

Région: Peace Country

Ville: Manning, AB

École: Paul Rowe Jr/Sr High School

Sommaire: I have developed an armoured vest for law enforcement. This new technology of body armor gives the user a better survivability rate. It is also environmentally friendly by saving Kevlar construction. This vest is well suited for use in battle, with removable pouches giving the user better options for equipment.

Prix	Valeur
Mention honorable - Génie - Intermédiaire	100,00 \$
Commanditaire: Fondation sciences jeunesse Canada	
Total	100,00 \$
