

CWSF 2009 - Winnipeg, Manitoba

Elise Tessier

Ne vous stressiez pas

Division: Engineering & Computing Sciences / Environmental Innovation

Category: Senior

Region: Conseil scolaire acadien provincial

City: Berwick, NS

School: École Rose-des-Vents

Abstract: L'objectif de cette expérience était d'évaluer l'effet de compost et de thé de compost sur la santé et les bactéries dans la rhizosphère des plantes de tomates et d'épinards stressées. Plusieurs mesures étaient entreprises pour déterminer la santé des plantes. Les résultats indiquent que le compost peut mieux combattre le stress.

Biography

I attend École Rose-des-Vents in Greenwood, Nova Scotia where I participate in many school activities. I am secretary of the School Advisory Council and president of our student council. I enjoy all sports and work at an after school program for elementary aged students. The arts are also an important part of my life. I took my grade six ballet exam. I volunteer as a Special Olympics swim coach. This will be my fourth CWSF and I am looking forward to visiting Winnipeg. I love to travel and I am looking forward to working in Switzerland this summer.
