Abstract: I want to know, one: whether eyewitnesses are really reliable and two: whether a delay in time will affect the eyewitness report. In my project I have tested 100 people to achieve the best result.

Biography

I like music, sports, playing with friends and the outdoors. I play guitar, piano, basketball, and cricket. I like touring countries with my family and love to eat East Indian food. I have been awarded a few prizes in music. When I'm older I would like to be a formula one driver or a doctor.
