

CWSF 2010 - Peterborough, Ontario

Austin Morris

Do You Remember?

Division: International

Category: Intermediate

Region: Central Alberta

City: Innisfail, AB

School: Innisfail Junior Senior High School

Abstract: I did a study to find out which gender is better at math. My test was based on Grade 8 math. 3 different age groups (grade 9, college students and non-math teachers) were tested. Variables included time of day and mechanical assistance. My results show that on average, for the participants I tested, males are better at math.

Biography

Hi my name is Austin Morris, I'm 15. I go to Innisfail High School and live on a farm. I love science. I'm a huge fan of technology and am a big drama geek. My favorite sport is curling. I have been in a 4-H Beef club for 7 years and my favorite thing about 4-H is public speaking, I have even made it all the way to regional's in 4-H public speaking. My dream job is to become a technology or a video game journalist.
