Polar Ice Cap Melting

Division: Sciences de la santé

Catégorie: Sénior

Région: Kitikmeot

Ville: Taloyoak, NU

École: Netsilik School

Sommaire: Being on the front lines of a global crisis, I like to try and be more environmentally friendly, so every year I like to choose a project with an environmental theme. I feel it's our chance as students to educate the public.

Biographie

I love to play soccer, my team is the former defending champions for our region. I also love to read. I participated in Northern Youth Abroad this summer, which was so awesome!
