**Division:** Health Sciences

Category: Junior

Region: Aboriginal Québec Autochtone

City: kahnawake, QC

School: Kahnawake Survival School

**Abstract:** My name is Onahsaknra Montour; I am a Mohawk from Kahnawake,

Quebec. My project will focus on the issue of Dumpsites in Kahnawake and the effects it has on drinking water. I will be discussing the importance of the environment to First Nations people. I will also discuss the current drinking water systems in Kahnawake and the damages that this dumpsite

has produced.

## **Biography**

I am a 14 year old Mohawk from Kahnawake, Quebec. I am the oldest grandchild in my family. I follow traditional ways which includes the presevation of Mother Earth. I would like to travel to the Egypt and I would like to be an environmentalist.
