Menstruation and Memory

Division: International

Category: Intermediate

Region: Sahtu

City: Norman Wells, NT

School: Mackenzie Mountain School

Abstract: Menstruation and memorization is very similar to its title: A project designed to determine the relations between a female's cognitive skills and memorization to their menstrual cycle. With close attention paid to the different phases of the cycle.

Biography

I was born and have lived in Northwest Territories my entire life. Despite living in an isolated community I have traveled to many countries. I enjoy all types of art, including music.
