Biography

Hi, I'm Neha Siddhartha; an honours student in Grade 8. I am involved in various after-school activities, such as the violin and Tae Kwon Doe. During last summer, when I was thirteen, I was accepted as an employee at a local fast food joint. This is the first time that I have been selected to go to the CWSF, and I am very proud to represent both my home city, Miramichi, and province, New Brunswick.
