Community Compost

Challenge: Environment

Category: Intermediate

Region: Prairie Valley

City: Regina, SK, Buena Vista, SK

School: Lumsden High

Abstract: Our project states a way a small community could have an operating compost facility. The community can also take the compost fertilizer and sell it back to the community and surrounding areas to make a profit.

Biographies

Abbey - I enjoy playing basketball and volleyball. I have been playing both for many years. I am very active and I try to do something physically active everyday to stay fit and healthy. I would like go to culinary school when I graduate. I believe it will be a very entertaining experience.

Tomenette - My name is Tomenette Gulbaek-Pearce, I live in Regina Beach SK, however I attend Lumsden High School. I enjoy playing sports at the high school level where our team continues to be successful at a variety of sports. I plan to continue my studies at the University of Regina in a field to be determined.
