Abstract: This project studied effects of music on the achievements in a seventh-grade class. The class split into Control and Variable. The Pre-test and first test had no music. The second test was Classical, third test was Pop and forth test favourite and fifth test least liked, for Variable groups. The Controls' heard no music. Highest scores were achieved when listening to their favourite music genres!

Biography

Amanda Davidson? Who is she? She was the Captain of the travel soccer team last year. Amanda also is a goalie in hockey. And she ran in the breast cancer run with the youngest team in Windsor and plans on running this year too. Amanda has also been growing her hair out for 6 years and once her hair is to her hips she is going to give most of her hair to cancer! She is part of this year's student council and is on the school lunch sales! As well she completed the Gauss Mathematics test. Also Amanda was on the soccer team and cross country team at school! Amanda loves reading. Everyone should read! This girl feels that having a trustful group of friends is one of the many ways to succeed. Amanda loves happy faces (animated or real ones) :D :) ! The people closest to her feel that she is the new and improved Sheldon Cooper and call her Sheldon constantly! In her opinion every Thursday night at 8:00 P.M should be spent watching the Big Bang Theory! Lastly, When Amanda gets older she will be a Biotechnologist or a High School Academic Science Teacher!
