How Sexist are the Students at my School?

Challenge: Discovery

Category: Junior

Region: Prince Edward Island

City: Charlottetown, PE

School: Birchwood Intermediate School

Abstract: This project investigated gender attitudes among a sample of the students who go to my school. For 16 traits students were asked whether they associated them with men, women, or both genders. Student attitudes were analyzed by gender, age, family structure, participation in sports, and gender of friends.

Biography

My name is Alexandra MacDonald. I am 13 years old. I live in Prince Edward Island, and I am in late immersion french. I take instrumental band. I play the clarinet and baritone saxophone. I enjoy soccer, swimming and bicycling. I love being with my friends and family. When I finish high school I plan to go to UPEI. I am not sure on what to take, but im very interested in social sciences and the way people relate to one another. I love to travel, and I'm looking forward to my trip to Toronto.
