Figure Out Your Fingers

Challenge: Discovery

Category: Intermediate

Region: Northwest Saskatchewan

City: Wilkie, SK

School: McLurg High School

Abstract: For our Science project we are trying to find what the most common fingerprint pattern in males and in females and also if fingerprint patterns are inherited. There are 3 different fingerprint patterns - loop, whorl & arch. We fingerprinted 4 - 4th generation families, 11 - 3rd generation families, 36 females, 36 males, and 6 sets of fraternal twins.

Biographies

Emily Olivia Rae - Hi, my name is Emily Nodwell. I am a Grade 9 student at McLurg High School in Wilkie, Saskatchewan. I have an older brother in grade 11 and a younger sister in grade 7. I was born in Wainwright, Alberta on September 20th, 1996. We lived in Vermilion, AB until I was four years old and then moved to Wilkie, Saskatchewan where we still live today. Besides my family and friends my greatest interest/love is dance! I have completed Intermediate Foundation Ballet Exam (Royal Academy of Dance) as well as Gr. 4 in Canadian Dance Teachers Association (CDTA) in Tap. I was very privileged to be asked to attend the School of Alberta Ballet Professional Di...

Jessica, Adeline - Hello, my name is Jessica Adeline Karstens. I was born on October 8th, 1996 in North Battleford, Saskatchewan where we lived until I was 4 months old. In 1997 we moved to a farm near Wilkie, Saskatchewan where we live at the present time. Norman Carter Elementary School is where my schooling began, and I am currently enrolled at McLurg High School in the town of Wilkie. I am 14 years old and in grade 9. My family consists of a younger brother and older sister. I play most sports including volleyball (which is my favourite), basketball, badminton, cross country running, track & field, and swimming. I play piano (even though I honestly don't ...
