

CWSF 2011 - Toronto, Ontario

Lyndsay Jay-Keating

No Bull About It!

Challenge: Innovation

Category: Junior

Region: River Valley

City: Miramichi, NB

School: Harkins Middle School

Abstract: The focus of this project was to determine if the natural fibrous by-product of cow manure formed into cow-paddy seed strips will grow healthier and stronger seedlings than seeds sown in Miracle-grow potting soil.

Biography

Biography Lyndsay is a grade 7 student presently attending Harkins Middle School in Miramichi, N.B. She expresses a great interest in sports and is a team member of the HMS girls Junior Varsity basketball, volleyball and the Varsity soccer team. Lyndsay is currently training at the Bronze Cross division of the Lifesaving Society program. She is very active member of her school Science Club, Green Environmental Club, Scraping-book Club, and Yearbook committee, Drama Club and School Choir. She is also a volunteer member of the Royal Canadian Legion Poppy campaign. In 2009, Lyndsay was the recipient of New Brunswick Day Merit Award and has received numerous awards for the School District Heritage Fairs. Lyndsay received the Principal's Merit Award for Academic Excellence in 2010. She hopes to continue to do well in her studies and is focusing on a career in the field of Veterinarian medicine.
