F.F.O.F.F. (French Fries or French Fake)

Défi: Santé

Catégorie: Junior

Région: Peel

Ville: Brampton, ON

École: William G. Davis Senior P.S.

Sommaire: Our experiment is about finding the most natural french fries from popular fast food franchises. (McCain, NYF, KFC, McDonald's, Wendy's) we compared them to homemade fries. we also looked at the nutrition facts. we put them to rot for a period of 4 weeks. we also plan on placing the fries in simulated gastric acid to see how it breaks down.

Biographies

Moizza Zia - I was born in 1998 in the United Arab Emirates. My family and I immigrated to Canada in 2000, when I was 2 years old. I grew up in Toronto until I was 5, when I moved to Brampton, where I am still staying. I have an older brother and a younger sister. My hobbies are reading, playing sports (mainly hockey), writing poems and stories and making crafts. I have been in the gifted program since grade 3. Currently, I am in the International Baccalaureate Program for grade 7. I have volunteered twice for an organization called "The Ripple Affect Wellness Organization". At school, I participated in many clubs such as the school band and choir. I also...

Divya - I was born on January 15 1998 in Toronto, Canada. I have lived in Brampton all my life. My hobbies are reading, singing, drawing, painting, and swimming. I play two instruments, the flute, and a classical indian instrument called the harmonium, and I also take classical Indian singing lessons. In grade 5 I recieved the "Kierra Martelly" award at my school for being a helpful student. In grade 6 I participated in the "Peel Technology Skills Challenge". I am in the "IB" (International Baccalaureate) program that I applied for last year. I also take swimming lessons and am currently in training in hope that by age 16 I will be able to be a lifegua...
