Wilson Coyne

Saving the Ojibway Language

Challenge: Information

Category: Junior

Region: Manitoba First Nations

City: Pine Falls, MB

School: Sagkeeng Consolidated School

Abstract: In this study I collected information through surveys to determine the degree of language loss in my community. The surveys also gathered information about the environments and conditions in which the remaining language speakers learned it. The information gathered was used to design program improvements to help my school and community to bring the language back.

Biography

My name is Wilson Coyne I am fifteen years old. My hobbies include playing video games, drawing, wrestling with my brothers and watching anime. My favorite sports are Football, Baseball, Basketball and Soccer but MMA as well. My Career plans are to teach at a university in Native studies and my secondary career is to be a WWE Wrestler. My top achievement was winning my chance to go on the trip to Toronto. My school activities are signing up for sports and but making I am currently working on making more school activities. I have no community activities but something making more community activities as well. My interests are anything I find fun and awesome to do.
