Dream Catcher

Challenge: Health

Category: Junior

Region: Manitoba First Nations

City: opaskweyak, MB, winnipeg, MB

School: Joe A. Ross School

Abstract: We set out to investigate the Dream Catcher, a craft made by elders and traditionally hung in the rooms of children. We have heard that they catch bad dreams and give the sleeper only good dreams. We assume it's just a story, but wanted to take a scientific approach to finding out if there was anything to it, and if so, how it might work.
