

ESPC 2012 - Charlottetown (Ile-du-Prince-Édouard)

Katie Rampp

Can You Hear Me?

Défi: Santé

Catégorie: Junior

Région: Quinte

Ville: Belleville, ON

École: Georges Vanier Catholic

Sommaire: The objective of this project is to determine which headphone, from a test selection of four, will be the most effective in blocking out ambient noise. The project is of interest to me as an elite goalie who needs to wear the best headphone to block out ambient noise to "get in the zone" to prepare for rep ice hockey games.

Biographie

Hello! My name is Katie Rampp. I am a 14-year old in 8th grade at Georges Vanier Catholic School in Belleville, Ontario. I am a founding member of the Student Council Executive called the "Georges Vanier Student VOICE." I have many hobbies and activities that I like to do. I love playing all kinds of sports; my main sport being ice hockey. I am a proud hockey goaltender. During the school year, I play for the Belleville Jr. Bulls and in June, I will be playing for the '98 East Coast Selects in Sherbrooke, Quebec. In high school, I am looking forward to playing for the varsity hockey club! I also represented the Quinte Region at the provincial level in ball hockey for two years straight. When I'm older, I want to keep pursuing my hockey career and I also want to study Sports Psychology at a Div. 1 University. This will be my first CWSF I am attending and I consider it an honour to be selected!
