Reduce...Recoil...Reload

Challenge: Discovery

Category: Junior

Region: Parkland

City: Foam Lake, SK

School: Foam Lake Composite High School

Abstract: In my project I attempted to reduce the kick on a shotgun. In this project I used a computer and I also did my testing in real life. after getting the data from the real testing I figured out the force that is applied by the gun and I put that on the computer and did all the testing.
