

## CWSF 2013 - Lethbridge, Alberta

### **Nick of Time**

**Challenge:** Information

**Category:** Intermediate

**Region:**

**City:** ,

**School:**

**Abstract:** A Nick of Time is an educational video-game designed for grade-school social studies where the teacher can design content for the game. This is Year one of a 3 year project. In the first year, a prototype is created, second a functional copy, third a shippable product.
