

## CWSF 2013 - Lethbridge, Alberta

## **Nick of Time**

Challenge: Information Category: Intermediate

Region: City: School:

**Abstract:** A Nick of Time is an educational video-game designed for grade-school

social studies where the teacher can design content for the game. This is Year one of a 3 year project. In the first year, a prototype is created, second

a functional copy, third a shippable product.
