Abstract: The use of local waste paper products for hydroseeding applications was explored. Different mixtures with various waste paper products and seeds were tested. The conclusion was a positive recommendation to use local waste paper products. An added benefit was the reduction in greenhouse gases due to the elimination of freight.

Awards	Value
Albert Lapierre Award - Junior Sponsor: Canadian Council of Technicians and Technologists	\$500
The University of Western Ontario Scholarship Bronze Medallist - \$1000 Entrance Scholarship Sponsor: University of Western Ontario	\$1 000
Bronze Medal - Engineering - Junior Sponsor: Youth Science Foundation Canada	\$300
Total	\$1 800
