A `Bit` To Chew On

Division: Biotechnology

Category: Junior

Region: Alberta Central East

City: Hanna, AB

School: J.C. Charyk Hanna School

Abstract: I designed an appliance that could be used to deworm a difficult horse. I created a device that fits into a horse's mouth in a manner similar to a bit. The device was tested on over 100 horses, and proved to be extremely effective.

Awards	Value
The University of Western Ontario Scholarship Gold Medallist - \$2000 Entrance Scholarship Sponsor: University of Western Ontario	\$2 000
Gold Medal - Biotechnology & Pharmaceutical Sciences - Junior Sponsor: Rx&D Health Research Foundation	\$1 500
Total	\$3 500
