Rachel Cey

You Throw Like A Girl

Challenge: Discovery

Category: Intermediate

Region: Northwest Saskatchewan

City: Wilkie, SK

School: McLurg High School

Abstract: This project was designed to determine whether there was a difference in the throwing mechanics of boys and girls. It focusses on arm positioning throughout the throwing motion in order to identify key factors in the throwing motions.

Biography

Rachel Kathryn Cey lives in Wilkie, Saskatchewan where she currently attends McLurg High School. She enjoys partaking in various sports including volleyball, basketball, badminton, swimming, softball, and track and field. Along with playing sports, Rachel also participates in voice and music lessons. Her favourite pastimes include reading and playing with her dog Mischa.
