Now You See Me Now You Don't

Division: Sciences de la santé

Catégorie: Junior

Région: Alberta Central East

Ville: Hanna, AB

École: J.C. Charyk Hanna School

Sommaire: This project studied the effectiveness of laser technology to measure distance between two moving vehicles while driving in heavy fog conditions. Using lasers to alert motorists when they are following too closely or approaching a vehicle ahead, could prevent thousands of traffic accidents causing serious injury or death.

Prix	Valeur
