

## ESPC 2017 - Regina (Saskatchewan)

### Rylan Campbell

#### How Much Sugar?

**Défi:** Santé

**Catégorie:** Intermédiaire

**Région:** Sahtu

**Ville:** Tulita, NT

**École:** Chief Albert Wright School

**Sommaire:** my project is about how much sugar is in the things we eat and drink everyday. I think that most people know how much sugar they have per day and i hope that with my project they will find out

#### Biographie

My name is Rylan Campbell, I am 15 years old. I live in Tulita, NWT and go to school at Chief Albert Wright School. I like to read, and work on the computers.
