Rylan Campbell

How Much Sugar?

Challenge: Health

Category: Intermediate

Region: Sahtu

City: Tulita, NT

School: Chief Albert Wright School

Abstract: my project is about how much sugar is in the things we eat and drink everyday. I think that most people know how much sugar they have per day and i hope that with my project they will find out

Biography

My name is Rylan Campbell, I am 15 years old. I live in Tulita, NWT and go to school at Chief Albert Wright School. I like to read, and work on the computers.
