

## CWSF 2019 - Fredericton, New Brunswick

## Biography

Abd-alrahman Tawhid is in grade 12. My interest is solving real life applications based on health and computer. I like to explore and dig in problems regardless the time spent. I've anticipated in Science Fair since 2011. I was a co-invistigator for a project on using solar energy for cooking and entered it in 2011. Another project was using a Raspberry Pi to measure the temperature inside home and controlling it outside your home. I also designed an app to cut the bill of electricity at home. I decided to focus on the health industry this year, in finding a solution to fighting Chronic Disease. I used the field of Data Mining in working with a dataset provided from the Public health Agency of Canada, and came up with predictive models to predict early stages of a certain disease or features of a disease, and put it in an app. A long term for this project is to extend this app from residential to industry. It is important to select a project that will be useful to our real life problems, it is essential that you continue in the project to enhance it as much as you can.

## Extensive Development of Statistical Models to Predict Future Health Care Trends

Challenge: Innovation		
Category:	Senior	
Region:	Cariboo Mainline	
City:	Kamloops, BC	
School:	Sa-hali Secondary	
Abstract:	As chronic disease develops and more people are afflicted with a disease, we will see a huge increase in health resource consumption. This project utilizes machine learning methods to create statistical models that allow us to predict with a high accuracy the number of Diabetic patients that will be affect with diabetes, how many will then visit the hospital, general and specialist physicians.	

Awards	Value
Statistical Society of Canada Award - Senior	\$1 000
Sponsor: Statistical Society of Canada	
Excellence Award - Senior - Bronze Medal	
Sponsor: Youth Science Canada	
University of Ottawa Entrance Scholarship	\$1 000
Senior Bronze Medallist - \$1000 Entrance Scholarship	
Sponsor: University of Ottawa	
Western University Scholarship	\$1 000
Bronze Medallist - \$1000 Entrance Scholarship	
Sponsor: Western University	
Total	\$3 000
