Birds In My Back Yard

Division: Physical & Mathematical Sciences

Category: Junior

Region: Strait

City: Guysborough, NS

School: Chedabucto Education Centre-Guysborough Academy

Abstract: The purpose was to see if birds have a favorite seed, place to eat, and whether there were seasonal differences in the types and numbers. They preferred the ground, the favorite food was finch seed, and there were seasonal differences in the types and numbers of birds I saw.
