

## CWSF 2006 - Saguenay, Québec

### Brady Greenwald

#### Electric Brushes

**Division:** Health Sciences

**Category:** Junior

**Region:** Northwest Saskatchewan

**City:** Scott, SK

**School:** McLurg High School

**Abstract:** My project is about three different electric motors and how powerful, fast, and efficient they are. I put all three through three different tests to see how long they lasted on 1 AA battery, how much they could lift, and how fast they spun.
