

## CWSF 2005 - Vancouver, British Columbia

### Jeremy Witmer

#### Oh Deer!

**Division:** Engineering & Computing Sciences

**Category:** Junior

**Region:** Fraser Valley

**City:** Abbotsford, BC

**School:** Wm. A. Fraser

**Abstract:** My goal was to create a device that would effectively keep animal/vehicle collisions from occurring. These collisions result in millions of dollars in insurance claims, personal injury and highway clean-up. My device would warn both animals and the drivers that the other was nearby.
