Sounds into Syllables II-Windows to the World of Childhood Autism

Division: Life Sciences

Category: Senior

Region: Bay Area

City: Burlington, ON

School: Assumption S.S.

Abstract: Sounds into Syllables? II is the second phase of a teaching system I created to assist children with autism to overcome social and communication difficulties using various musical components. Nine harmonies were created, linked to six emotions and three grammatical concepts, and integrated into a storybook created for the system.
