

## CWSF 2006 - Saguenay, Québec

### Patrick Naylor

#### Which Toboggan is the Best?

**Division:** Health Sciences

**Category:** Junior

**Region:** River East Transcona

**City:** Winnipeg, MB

**School:** Bernie Wolfe Community School

**Abstract:** My project tested the speed, distance, braking effectiveness, and steering of six toboggans including a prototype that was built from materials from home. The prototype was the fastest and farthest. It did not brake the best or steer the best.

Awards	Value
Honourable Mention - Engineering - Junior Sponsor: Youth Science Foundation Canada	\$100
