

## CWSF 2006 - Saguenay, Québec

### Amber-Joy Gruben, Karis Gruben

#### Rust

**Division:** International

**Category:** Intermediate

**Region:** Beaufort-Delta

**City:** Inuvik, NT, inuvik, NT

**School:** Samuel Hearne Secondary School

**Abstract:** This project is about rust and rust removal. We rusted some nails and tested the ability of 4 substances (CLR, Home, Coke, Vinegar) to remove the rust. We learned that of the 4 substances the home product worked the best.
