

## CWSF 2006 - Saguenay, Québec

### **Kenneth Menacho, Hilary Andre**

#### **Its a Small World**

**Division:** Life Sciences

**Category:** Intermediate

**Region:** Sahtu

**City:** Deline, NT

**School:** ?ehtseo Ayha School

**Abstract:** We wanted to see the effects of antibacterial products on bacterial growth. After choosing two shampoos, two deodorants, two toothpastes, and two mouthwashes, we observed the growth of bacterial colonies on potato slices.
