Eelgrass - The Complete Package

Division: Health Sciences

Category: Intermediate

Region: Prince Edward Island

City: O'Leary, PE, Ellerslie, PE

School: Hernewood Intermediate

Abstract: Eelgrass, the complete package, is a green project from a green province. The project demonstrates an environmentally friendly alternative to packing materials such as bubble wrap, styrofoam, and shredded paper. Over the years, maritimers have found many uses for eelgrass, and our project proposes another.
