Talk to the Hand, It'll Talk Back!

Division: Life Sciences / None
Category: Intermediate
Region: Sahtu
City: Norman Wells, NT
School: Mackenzie Mountain School
Abstract:

This project focuses on one of the lesser-known forms of communication, which include body language and other physical gestures. The information within this project also briefly reflects the usage of these gestures to detect whether a person is being truthful. The aim of this project was to determine if it was possible to tell whether the subjects were introverts or extroverts based on body language.

Biography

My name is Joshua Balanuik. I am a grade nine student at Mackenzie Mountain School in Norman Wells, Northwest Territories. My hobbies include playing video games, biking, and nearly anything involving computers and the internet. I plan to become a video game designer for Nintendo in the future. I also love listening to music and philosophizing.
