Grant Sparling

It's Worth A Shot

Division: Health Sciences / Automotive

Category: Junior

Region: Avon Maitland-Huron Perth

City: Blyth, ON

School: Blyth P.S.

Abstract: 20 million people start playing golf each year - 20 million quit. They quit because they are frustrated and didn't enjoy the game. HG is the solution. 6 high tech clubs replace 13 traditional clubs. Half the clubs, half the weight, half the cost, half the hassle, all the fun.

Biography

Grant Sparling is a Grade 8 student at Blyth Public School in Blyth, Ontario. He enjoys science and technology and public speaking competitions. Grant's favourite sports are golf, volleyball and running. He has been playing the violin since the age of 5 and enjoys traveling with his family. Grant's other activities include reading, watching documentaries, researching interesting topics and playing paintball in his spare time.
